For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.

*Merry Christmas
and Happy New Year!*

Greetings from Uganda! The last few months have gone by so quickly! The Vacation Bible School in August ministered to almost 300 children. We are already planning another for January of 2012. September included a baptismal service with four people baptized. We also observed the Lord's Supper for the first time in the organized church in Sangano. James has been teaching each Wednesday to the men (and any women who want to attend) out of the book of Genesis, dealing with some very important facts about man's origins and helping to dispel myths that are being taught by various cults at the camp. Anna was able to attend for 3 of the Wednesdays and teach the women about the Women of Genesis. Christmas Eve we held a Bible club for the children and handed out bears that Anna and our children made and also the cars that many of you sent. The cars were greeted with excitement and when we left, many little boys were racing the cars all over the hard packed dirt. Christmas Day we had a special service with all three churches together, complete with small gifts for the adults and a meal.

We are looking forward to 2012 and to all that God will do in our ministry here! Thank you to each of you for praying and for participating in our ministry! We could not be doing this without your help.
